

Peter H. CALKINS

Work address	Faculty of Economics Chiang Mai University Chiang Mai, Thailand
Tel.	+66 53-942248
FAX:	+66 53 942202
e-mail :	peter_calkins2004@yahoo.com
Home address:	Cherng Doi Place Soi 1Wat U Mong Chiang Mai
Cell-phone :	085-0363127
Birth date	September 9, 1946
Citizenship	American and Canadian
Languages	Excellent English, French, Mandarin Chinese, Nepali, Vietnamese. Also studied Thai, Spanish, Italian, Portuguese, Burmese, Hindi, Japanese, and Malay.

Academic degrees

Ph.D., Cornell University, Ithaca, New York, 1976
 Major fields: Development Economics, Quantitative Methods, Asian Studies
Thesis : The Impact on Income, Employment and Nutrition of Developing Horticulture in the Trisuli Watershed, Nepal.

M.A., Harvard University, Cambridge, Massachusetts, 1971
 Major field: Asian Languages and Literature

Honors thesis (Summa cum Laude)--*Theme and Style in the Short Stories of Ssu-ma Chung-yuan.*

Honors and distinctions

Magna cum Laude with Highest Honors, Harvard College, Cambridge, Massachusetts, 1968

Phi Beta Kappa, Harvard College, Cambridge, Massachusetts, 1967.

January - June in 2001 and 2002 -- Fulbright Scholar and Visiting Full Professor, Fulbright Economics Teaching Program, Economics University of Ho ChiMinh City and Harvard University, Ho Chi Minh City, Vietnam. Taught courses on Economic Development, Economic Theory, Project Appraisal and Poverty Modeling.

Professional experience

September 2006- present. Professor and Director of International Programs, Faculty of Economics, Chiang Mai University, Chiang Mai Thailand. Teach Ph.D. level courses in research methodology, quantitative analysis, production economics, and international development. Conduct research on the Sufficiency Economy, health economics, and integrated economic development of the Great Mekong Subregion.

June 1987- September 2006, Full Professor, Département d'économie rurale, Université Laval, Quebec, Canada. Give graduate courses in mathematical programming, risk analysis, economic development, research methodology, comparative economic systems, and firm management. Conduct research on Asian and African agri-food systems and on the economic and moral bases for a peaceful New World Order.

August 1989 - June 1990, Visiting Researcher, Département des systèmes agraires, CIRAD, Montpellier, France. Collaborative research on African rural systems and economic development.

January 1986 - May 1987, Associate Professor, Département d'économie rurale, Université Laval.

July 1982 - Decembre 1985, Associate Professor, Department of Economics, Iowa State University, Ames, Iowa. Undergraduate courses on agricultural policy, quantitative methods and farm management. Research on farm mechanisation, horticulture marketing, and Chinese agriculture.

August 1982 - June 1983, Visiting Professor, Department of Agricultural Economics, Northwest Agricultural College, Wugong, Shaanxi, China. Funded by the Agricultural Development Council and Iowa State University. Gave courses on farm business management and computer programming. Guest lectures in three other Chinese universities.

August 1978 - June 1982, Assistant professor, Department of Economics, Iowa State University.

January 1982, Participant, Consultant Training Program, World Food Institute, Iowa State University. Multi-disciplinary and -cultural approaches to the formulation and implementation of development projects.

June 1976 - August 1978, Chief Economist, Asian Vegetable Research and Development Center, Taiwan. Surveyed and analyzed production, marketing and consumption of fruits and vegetables, created pan-Asian network of research.

June 1973 - January 1975, Doctoral candidate, research in Nepal. Funded by the United States Social Science Research Council; and by the Program for International Agriculture, Cornell University.

July - Septembre 1970, Intensive travel in rural regions of India, Laos, Malaysia, Indonesia, Taiwan and the Philippines.

July 1968 - June 1970, Peace Corps volunteer, agricultural extension, Nepal.

August 1966 - June 1967, Exchange student, at Tunghai University, Taichung, Taiwan.

Professional affiliations

Canadian Society of Agricultural Economics

American Agricultural Economics Association

International Association of Agricultural Economists

International Input-Output Association

Participation on scientific committees

Co-editor, *Canadian Journal of Agricultural Economics*, 1998-2001.

President, Committee on Professional Relations between the PRC and the United States, 1984-1987.

Co-director, Ph.D programs in economics, Université Laval, 1987-1993 and Director, Master's programmes in agricultural economics, 1991-1993 and 2005-2006.

Regional correspondant, *Horticultural Economics Newsletter* of the International Society of Horticultural Science, 1977-78.

Reviewer of submitted articles, **Canadian Journal of Economic Development and Economic Systems Research**.

President, Graduate Students Association, Cornell University, 1972-73.
